Any unsuitable posts will be removed. Posts containing links to third party sites will also be removed at our discretion. You, and not The Washington Trust Company, are responsible for all User Content you submit.

3. Representations in User Content: By submitting User Content, you warrant and represent that you have the right to use the content, including any and all intellectual property interests. User content is not intended for distribution to, or use by, any person or entity in any jurisdiction where such distribution or use is contrary to local law or regulation.

4. Moderation and Liability of User Content: Washington Trust reserves the right to refuse to post, moderate, or remove User Content. Washington Trust further reserves the right to refuse or delete objectionable User Content that Washington Trust in its sole discretion deems infringing or inappropriate. Washington Trust does not guarantee the accuracy, integrity, or quality of User Content. Under no circumstances will Washington Trust be liable in any way for any User Content, including, but not limited to, liability for errors or omissions or for any loss or damage of any kind incurred as a result of any User Content posted or transmitted. Exercise discretion before relying on information in User Content.

5. For Information Purposes only. No comments made by any employee or agent of The Washington Trust Company or any user should be understood or used as the sole basis of any investment or financial decision or construed as advice or recommendations.
